1. All Friends receive a one-time invitation to our annual behind-the-scenes tour of the Ingenium Centre upon joining.

2. All Friends are invited to connect and celebrate together.

Every year, Friends of the Foundation are invited to a special appreciation event celebrating the impact of our donor community. It's our way of saying thank you while sharing stories, meeting fellow supporters, and looking ahead to what's next at Ingenium.

Experiences and recognition opportunities are offered in collaboration with the Foundation and Ingenium and may vary based on operational requirements, availability, conservation needs, and institutional priorities.
